

The Honorable Jon Kyl
U.S. Senator, Arizona
6840 North Oracle Road, Suite 150
Tucson, AZ 85704

Dear Senator Kyl:

I wholeheartedly support the efforts of the 162nd Fighter Wing Minuteman Committee in its mission of championing Tucson International Airport as one of this nation's premier fighter pilot training installations and as a pilot training site for the next generation of U. S. Air Force fighter, the F-35.

The Arizona Air National Guard has long served this nation as a pilot training center and this community as a powerful economic force. The base's \$280 million positive economic impact on the local community cannot be overstated. The advantages of pilot training in Arizona, its consistent weather, its ranges and its existing military aviation infrastructure, are clear. Equally important is the community support for the continued role of the Guard and its mission. We look forward to the base's future prosperity.

Thank you for the opportunity to provide input for this very important and effective partnership.

Sincerely,
